Reminder**

**time to  
UPDATE**

- Medication Reminders-** If your child needs medication administered during the school day, please pick up a Medication Authorization Form from the office. This form needs to be updated annually and must be on file before medication can be administered. Students may not carry the prescription or over-the-counter meds without proper medical administration permission. All medications must be in the original container, labeled with specific directions and accompanied by a doctor's prescription. Parents are always welcomed to come to the office and administer medication personally.
- 25-26 Annual Update Completion in the Infinite Campus Parent Portal:** Just a reminder to complete the 25-26 annual update in your Infinite Campus Parent Portal. All students must have this completed in order to participate in field trips as well as other activities. Please ensure that this is completed as soon as possible. If we do not have a current update, students will not be able to participate in any field trips. If you need help setting up an Infinite Campus parent account, please call the Frontier Office at 559-585-2430. Thank you.

# \*\*\* DROP OFF/PICK UP PARENT REMINDERS \*\*\*

Frontier Parents,

Just a reminder that if your child is brought to school or picked up by car, students should enter through the NORTH gate between the Kindergarten Playground and PUESD District Office. If your child arrives at school or leaves school by car, they should be dropped off/picked up at the north gate. The exception is for TK/K dismissal walk ups. TK/K dismissal walk ups are located between the library and district office. Please help us keep our walkers, bike riders, scooter riders safe by not parking near the front office gate and dropping/picking up students from there.

Parents who walk their children to school from home or plan to walk their child home from school, may pick up at the front office gate. We appreciate your support in keeping our students safe!

## GOOD SCHOOL ATTENDANCE MEANS...

### ELEMENTARY STUDENTS

read well by the  
end of third grade

### MIDDLE SCHOOLERS

pass important  
courses

### HIGH SCHOOLERS

stay on track for  
graduation

### COLLEGE STUDENTS

earn their degrees

### WORKERS

succeed in  
their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.
