The background of the entire image is a decorative border featuring various autumn-themed elements. It includes orange and yellow flowers, green and brown leaves, and small brown seed pods or acorns. These elements are scattered around the central text area, which is enclosed in a white rectangular box with a thin orange border. The overall aesthetic is warm and seasonal.

Be Proud, Be Aware, Be Wise, Be Safe

Student Birthdays

In an effort to encourage our students to develop a healthy lifestyle and protect students with food allergies from accidental exposure, and the changes in the **federal nutritional requirements**, **we will not allow food treats (including candy and juice)** for birthday snacks. Parents are still encouraged to celebrate student birthdays by offering an alternative to food treats such as providing an item for all students in the class with pencils, erasers, crayons, etc. Another fun idea is to donate a hardback book to the library in honor of your student. Please contact your child's teacher or school office in advance with a description of the birthday goodies. Parents will need prior approval before sending items to school. ***If food treats are brought to school, they will be returned since they are not allowed at school. Balloons, flower deliveries, etc. are not permitted for students.*** They will be refused if brought on campus, as it is a distraction to the learning environment.

Visiting Campus

FOR THE SAFETY OF ALL STUDENTS, all visitors must report to the office to **check in with their driver's license**, which is run through our security database RAPTOR. Parents are welcome to have lunch with their child/children in a designated location (**no fast food**) or volunteer in classrooms (if coordinated with the teacher). If you are flagged within RAPTOR, you will not be allowed to enter campus during the school day. However, you are allowed to pick up/drop off your child within the office or outside the gates. When you are ready to leave, you will return your pass to the office and sign out.

We do ask that other arrangements are made for your younger children and that they do not accompany you during your time on campus.

ANNOUNCEMENT

Student Safety is our number one priority at Pioneer Elementary. We are asking for everyone's help to keep our parking lot safe.

- Please follow all safety signs posted.
- Please do not use the parking lot as a drop off and pick zone. It is not safe. We have had some near misses of students being hit.
- We ask that you use the designated drop off/pick lane. You may also use the middle gate to enter, park, and walk your child up to the gates. Please turn right when exiting to keep traffic moving.
- If you need additional time to unload your child, please park and unload or pull up to the blue benches so that the line doesn't get backed up in the morning.
- We kindly ask that parents who park and walk up to get their child to wait in the designated areas (i.e., grass area next to benches or by the crosswalk).
- Please use the crosswalk and do not cut across traffic to get your child at the benches.
- We prefer parents not to drop off and pick up in the back of the school. There is not a guarantee that an adult will be present to assist your child.
- The Bus Lane in the back of the school is off limits to any traffic. It is a violation of Educ. Code to enter a Bus Zone.

We appreciate your help with ensuring student safety.
