2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Principal's Message

Dear Parents and Pioneer Middle School Community Stakeholders,

It is with great pride that I share the School Accountability Report Card for Pioneer Middle School. The purpose of the School Accountability Report Card is to provide information to parents and community stakeholders on Pioneer Middle School's instructional programs, academic achievement, materials and facilities, staffing, and discipline related data. Parents and community play a vital role in our schools, understanding our educational program, student achievement, and curriculum development can assist both our schools and the community in ongoing program improvement.

Pioneer Middle School has made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that our school provides a positive, nurturing, and stimulating environment where students are actively engaged in both personal and academic growth.

Pioneer Union Elementary School District serves approximately 1550 students and is comprised of two elementary schools and one middle school. The district and its schools are located in Hanford, situated in the San Joaquin Valley midway between San Francisco and Los Angeles. As one of eight charter districts in the state, Pioneer Union Elementary School District offers the local community an exceptional educational program emphasizing student achievement academically as well as socially. Using research-based, innovative instructional methods and taking advantage of generous parent volunteers, students experience a rigorous standards-based curriculum administered by highly qualified teachers in a safe, nurturing environment.

At Pioneer Middle School, all staff members support the school's mission to provide a challenging rigorous curriculum designed to develop life-long learners while providing a nurturing environment where social and personal needs are met. Pioneer Middle School takes great pride in providing our students with a well-rounded educational experience that includes opportunities to grow in athletics, academics, and via extra-curricular opportunities. There are various clubs on campus to support the personal growth of our students as well as to help develop positive connections for students.

2022-23 School Overview

Sincerely,

Jamie Rogers
Principal
Pioneer Middle School

District and School Profile

Pioneer Union Elementary School District serves about 1550 students and is comprised of two elementary schools and one middle school. The district and its schools are located in the town of Hanford, situated in the San Joaquin Valley midway between San Francisco and Los Angeles. A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Pioneer Middle School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Before the new middle school facilities were built, grades K-8 shared the existing elementary school campus. In 2000, the main campus was completed; the cafeteria was added during the 2002-03 school year. During the 2007-08 school year the Fifth grade students were moved to Pioneer Middle School, due to overcrowding at Pioneer Elementary School. During the 2008-09 school year Frontier Elementary school opened. The 5th grade students moved off Pioneer Middle School, and went back to the elementary school. Pioneer Elementary and Frontier Elementary serves students K-5th grade. In the Summer of 2018 a landscaping project was completed at Pioneer Middle School, which provided updated and new landscaping across campus. New student walkways were designed and the campus curb appeal was enhanced tremendously, creating a beautiful and inviting campus for students and staff. In addition, ongoing maintenance and improvements ensure campus facilities remain up to date and provide adequate space for students and staff.

Campus Maintenance

The PUESD MOT Director has established a scheduled maintenance program to ensure that all classrooms and facilities are well-maintained and in good repair. The MOT Director also, manages larger projects that may require third party contractors. School custodians are qualified and equipped to handle minor routine repairs and maintenance projects.

An electronic, universal work order process is used districtwide; school staff forward a completed work order via e-mail for repairs and maintenance projects to the principal who reviews the request prior to submission to the maintenance department. The district's maintenance department receives the work order and prioritizes the request and based upon the nature of the request, assigns the project to either the school custodians or district maintenance staff. For urgent requests when verbal communication is required, principals may contact the district maintenance staff using their school cell phone. In addition, the site assigned custodian has an internal radio in which direct communication with administration, office staff, and yard supervision can be made. Emergency situations are given high priority and resolved immediately by school or district custodial staff, based upon the nature of the situation. Pioneer Middle School schedules monthly Fire Drills, and the fire extinguishers are checked each month in compliance with state law.

Pioneer Union Elementary School District is proud of its high standards regarding campus maintenance and general housekeeping practices. The Board of Trustees along with district administration have approved and adopted specific cleaning standards, schedules, and policies for maintaining clean, safe environments for everyone on campus. The district's policies and standards are available for review by contacting the school principal. The custodial supervisor follows-up regularly each week to ensure custodians are following established cleaning standards and surveying campus facilities to identify additional concerns that need to be corrected or modified to meet district's safety and cleanliness standards. Custodians are provided a detailed schedule and follow clear guidelines that ensure learning areas are kept clean throughout the school day.

Pioneer Middle School's custodial staff is supervised by and collaborates with the district's MOT Director to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. One full-time day custodian, one full-time evening custodian, and one part-time evening custodian are assigned to Pioneer Middle School for daily custodial duties and special events. The principal communicates with the MOT Director to discuss school facilities and safety issues, custodial responsibilities, housekeeping needs, and maintenance schedules. The district also has assigned a groundskeeper to Pioneer Middle School, that is responsible for the upkeep of the grounds at the site.

School Facility Conditions and Planned Improvements

Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Following a daily schedule, custodians check restrooms as needed as a proactive measure to keep facilities safe, sanitary, and stocked. Students share the responsibility to maintain a clean campus and notify the school office when restrooms or other campus areas require housekeeping. The day custodian's routine includes general maintenance duties; preparing facilities for mealtime activities; cleaning the cafeteria after meals are served; cleaning restrooms and classrooms; and fulfilling basic custodial needs for students and staff. The evening custodians are responsible for setting up facilities for afternoon meetings and special events; cleaning classrooms, labs, library, restrooms, and office areas; and vacuuming/mopping floor areas. Every night, the evening custodians clean and disinfect every student's desk and all the bathrooms to promote a healthy environment and minimize germs and bacterial growth.

Deferred Maintenance

Pioneer Union Elementary School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components; these typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents are encouraged to be involved in their child's learning environment by attending school events, serving on a school committee, volunteering at school events, and reinforcing academic content at home. The administration and school staff encourage parents to attend, Open House, Back-to-School Night, athletic events, and parent meetings. Parents who want to be a part of the decision-making process are invited to join the Pioneer Middle Parent Teacher Club (PMPTC), District English Language Advisory Committee (DELAC), or the District Parent Advisory Council (DPAC). The PMPTC is a major fundraising entity who organize opportunities to initiate and assist programs to further enhance the learning experiences of our students. Comprised of administrators, teachers, and parents, the PMPTC meets once a month and is involved in supporting school programs, including but not limited to Athletics, School Clubs, and PBIS Incentives. The District Parent Advisory Council is comprised of the Principals (Frontier, Pioneer Elementary and Pioneer Middle), Community Members, District Superintendent, District Office Personnel, Site Personnel (Teachers and/or Support Staff), Parents, and Students. This group meets six times a year to discuss school and district issues, curricular programs, student culture, behavioral trends, and financial issues. It is noted that due to COVID-19 a majority of the activities have transition to a virtual format to protect the health and safety of our stakeholders. When possible Pioneer Middle School provides virtual meeting options to further increase parent involvement.

Parents are kept informed of school activities, events, meeting dates, and program deadlines through student agendas, weekly bulletins, Infinite Campus notifications, phone messages, the school marquee, and the school's regularly updated website. In addition, Pioneer Middle School utilizes social media platforms to further increase communication with our community stakeholders. Also, each teacher prepares and distributes a syllabus which parents review to stay abreast of classroom lessons. E-mail is available for parents who prefer a more convenient method of communicating with their child's teacher (e-mail addresses are available on the school's web site). The District also distributes the "Pony Express" newsletter, which highlights programs and initiatives within the District. Parents who would like more information about Pioneer Middle School or are interested in participating in its learning community may contact the school office at (559) 584-0112.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

The Comprehensive School Site Safety Plan was originally developed for Pioneer Middle School in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupils, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. This plan is developed via the Pioneer Union Elementary District Safety Committee, which is comprised of representatives from all school sites as well as community officials from law enforcement and emergency services personnel. The District Safety Committee reviews and updates this plan annually, after revisions it is presented to the Pioneer Union Elementary Board of Trustees for approval, once approved it is shared with all stakeholders. Most recently this plan was reviewed with Pioneer Middle School staff in August 2022.

2021-22 Types of Services Funded

Pioneer Middle School receives state funding based on the Local Control Funding Formula (LCFF) and follows the board approved Local Control Accountability Plan (LCAP).

For the 2021-2022 school year, Pioneer Middle School received funding from the following areas:

- General and Common Core LCAP Funds
- Charter Schools Block Grant
- Special Education Funds
- Mental Health Funds
- LCFF Supplemental Funds
- State Lottery & Prop 20 Lottery
- Title II Funds
- Low Performing Student Grant
- Classified PD Grant

Funds were expended based on District and School Site goals as identified in the Local Control Accountability Plan, based on the California State Priorities. Action items identified in the LCAP in which expenditures were identified are focused on rigorous instruction through strong core program which is differentiated to meet the diverse needs of students delivered by a highly trained staff, increased support for students, and to promote parental engagement as well as input in programs and services. Some examples of the services provided at Pioneer Middle School include Math Intervention during the instructional day, ELD intervention after school, math intervention after school, and Instructional Aide support to facilitate small group instruction as well as building positive relationships with students as an ongoing MTSS focus for our school.

In addition to LCFF funding, supplemental funding is also utilized to support District and Site goals. These supplemental funds include Mental Health funds, State Lottery, and Block Grant funds. These funds are used to support in class activities, PBIS, technology, and mental health counseling for all students.

Professional Development

Professional development at Pioneer Union Elementary School District is based on instructional needs, curriculum development, assessment results, staff survey results, feedback from both teaching and administrative staff, and district wide goals. Pioneer Middle School continues to focus professional development on site and district initiatives, including one-to-one Chromebooks for all students, Google Apps for Education, Google Classroom, Positive Behavior Interventions and Supports (PBIS), common core implementation in math and ELA, and NGSS exploration in Science. Staff participated in district wide trainings twice a year, weekly Wednesday afternoon staff workshops, and daily access to Professional Learning Communities (PLC's) through common collaboration periods. Our staff receives regular on-site training on instructional best practices as well as standards based instruction. In addition our PBIS Team received training and support via an facilitator focused on the PBIS Champion School Model to continue to support our implementation of PBIS.

Pioneer Middle School works in conjunction with Pioneer Union Elementary School District to focus on specific areas of study and to improve instructional practices, address curricular needs or modifications, and implement new strategies for improved student learning. The Director of Learning Support Services is available to assist administration in implementation needs through staff trainings, department and grade level coaching, and planning sessions. The Director of Educational Technology supports our one-to-one Chromebook initiative, providing an on-site technology assistant to Pioneer Middle School, and through regular communication with administration. The district Data Analyst provides necessary reports in easy to read formats to assist in regular data-driven decision making for programmatic and student level needs.

New teachers are supported by peer coaching and extensive staff development. The New Teacher Induction Program or NTI offers additional support and assistance to newly credentialed teachers. All new teachers are provided with support over a two-year period. Pioneer Middle School's support staff receive job-related training from the Kings County Office Education, department supervisors, and qualified district personnel. In addition, those individuals who are not fully credentialed are provided a peer mentor to further support their professional growth.

Significant professional development and collaboration time has been dedicated to developing learning objectives, refining instructional practices, assessment development, and data talks as well as implementing tiered intervention systems focused on improving academic success as well as building a positive educational environment for our students.. The development of a holistic program that supports both the academic and personal growth of our students is the foundation of our professional development plan at Pioneer Middle School.
