The requirement for a physical examination and evaluation may be waived if a parent/guardian submits a letter stating that such examination is contrary to his/her religious beliefs. (Welfare and Institutions Code 10271)

A child may be exempted from the immunization requirements only if: (Health and Safety Code 120335)

1. A licensed physician indicates that immunization is not safe due to the physical condition or medical circumstances of the child.

A medical exemption shall be submitted using the standardized medical exemption certification form developed by the California Department of Public Health and transmitted using the California Immunization Registry. The request shall include, but not be limited to, a description of the medical basis for which the exemption for each individual immunization is sought and whether the medical exemption is permanent or temporary, including the date upon which a temporary medical exemption will expire. A temporary exemption shall not exceed one year. (Health and Safety Code 120372)

2. The parent/guardian submitted a letter or affidavit prior to January 1, 2016 stating that such examination is contrary to his/her personal beliefs. An exemption from immunization granted for personal beliefs is effective only until the next grade span (i.e., birth through preschool, grades K-6, and grades 7-12).

If there is good cause to believe that a child is suffering from a recognized contagious or infectious disease, the child shall be temporarily excluded from the child care and development program until it is determined that the child is not suffering from that contagious or infectious disease. (Welfare and Institutions Code 10271)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence, and signature of parent/guardian or district representative. (5 CCR 18065, 18066)

2. Family emergency (Welfare and Institutions Code 10213.5)

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Education Code 8208)
4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Education Code 8208)

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

5. Medical and educational appointments (Welfare and Institutions Code 10213.5)

Any absence due to a reason other than any of those stated above, or without the required verification, shall be considered an unexcused absence. After three unexcused absences during the year, the program coordinator or site supervisor shall notify the parents/guardians. Children who continue to have excessive unexcused absences may be removed from the program at the discretion of the program coordinator in order to accommodate other families on the waiting list for admission.

Parents/guardians shall be notified of the policies and procedures related to excused and unexcused absences for

child care and development services. (5 CCR 18066)

Rights of Parents/Guardians

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of his/her rights as specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

Records

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records under state contract.

Additionally, the immigration or citizenship status of a child or a child's family member may only be collected and disclosed in accordance with the accompanying Board policy, Health and Safety Code 1597.640, and Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement.

The SRO will wear the regulation police uniform and operate a marked police patrol vehicle while on duty, unless otherwise authorized by a supervisor for a specific purpose. The SRO's duties shall include but not be limited to:
 - 2.1. SRO will provide law enforcement expertise to assist the school staff in maintaining safety at school sites.
 - 2.2. The SRO's investigation and questioning of students at school shall be limited to offenses related to the operation of the school or occurring at the school, except in situations where a delay in investigation or questioning may result in danger to any person, flight from the jurisdiction by the person suspected of a crime, or destruction of evidence.

- 2.3. The SRO shall notify the school principal as soon as practical of any significant law enforcement actions taken by an SRO or other officer.
- 2.4. The SRO shall not become involved in school administrative searches unless specifically requested by the principal or designee in order to provide security or to handle contraband. School administrative searches will be at the direction and control of the school principal and will be based upon reasonable suspicion.
- 2.5. The SRO shall be responsible for monitoring the social and cultural environment around District schools to identify existing or emerging youth gangs. Gang prevention and early intervention strategies shall be coordinated between the Department and the District.
- 2.6. The SRO may become involved, through the school principal, with the school's curriculum and provide instructional presentations that enhance the students' understanding of the police mission and the responsibilities of citizenship.
- 2.7. The SRO will work to prevent juvenile delinquency and campus violence through close contact and positive relationships with students. The SRO will serve as a positive role model to students.
- 2.8. At the request of the school principal, the SRO shall attend suspension and expulsion hearings. The SRO shall be prepared to provide testimony on any actions taken by the officer and on any personally observed conduct witnessed by the officer. The SRO shall also make available at expulsion hearings any physical evidence that has been seized by law enforcement and is held by the Department.
- 2.9. The SRO shall disseminate to school administrators and staff information on crime trends and changes in laws to assist them in establishing and maintaining safe school environments.
- 2.10. The SRO will work to establish and maintain a collaborative partnership with the school administration to provide a safe school environment. The SRO will regularly communicate with the school administration in an effort to share information and discuss issues and concerns of mutual interest.
- 2.11. The SRO will work to increase communication between law enforcement, students, school staff, and the community. The SRO will work to build positive working relationships with the school staff and parents.

3. **Student Discipline.** The certificated administrators of each school shall be responsible for student discipline and shall make all decisions regarding the imposition of discipline for students enrolled at their campus.
4. **Hours of Employment.** The SRO will work full time (40 hours per week) during the school year, except for annual leave allowances, during the normal school year schedule. This does not include coverage for summer school, which can be negotiated upon request by the District at an additional cost.
5. **Selection of Law Enforcement Personnel.** The Department will be responsible for selecting which Department employee will serve as the SRO, or the acting SRO for days when the designated SRO may be on leave, absent for training, or otherwise not available. The District may provide input regarding the selection of the SRO.
6. **Program Criteria.** The District and Department will work collaboratively to be responsive to evolving school and law enforcement requirements.
7. **Training and Supervision.** The SRO shall receive SRO's work assignments from the Department and shall be supervised in the performance of SRO's duties by the Chief of the Department or designee. The Department shall be responsible for training the SRO according to applicable law enforcement standards. The Superintendent of the District or designee will provide the Chief of the Department with information to assist in evaluating the SRO. Any disciplinary problems or alleged improprieties involving the SRO shall be brought to the attention of the Chief of the Department or designee. The School Resource Officers will be released to attend 40 hours of formal training related to investigator orientation and juvenile law enforcement each fiscal year. The department will be responsible for the officers' travel, lodging and meals.
8. **Employment.** The SRO is an employee of the Department, and is not an employee or agent of the District. The SRO shall be subject to the administration, supervision, and control of the Department. The SRO shall be subject to all personnel policies and practices of the Department.
9. **Student Records.**
 - 9.1. The parties agree that the SRO shall be deemed to be a "school official" for the performance on SRO's duties on behalf of District. The SRO shall therefore be allowed access to student records but the District is in direct control of the use, maintenance, and disclosure of student records in accordance with Education Code section 49076 and other applicable provisions of law. School officials shall allow the SRO to inspect and copy any student records maintained by the school for which the SRO has a "legitimate educational interest" within the scope of the SRO's service under this Agreement. This includes access to student directory

information to the extent permitted by District policy, classroom assignments, attendance records, and discipline files. However, the SRO may not inspect or copy confidential student records outside the scope of the SRO's service, except as allowed by law.

- 9.2. If confidential student record information is needed in an emergency to protect the health or safety of a student or others, the District may disclose to the SRO information that is needed to respond to the emergency situation based on the seriousness of the threat to someone's health or safety, the need of the information to meet the emergency situation, and the extent to which time is of the essence.
 - 9.3. If confidential student record information is needed by the SRO but no emergency situation exists, unless section 9.4 applies, the information may be released only upon the issuance of a subpoena, a court order or written authorization of the parent/guardian.
 - 9.4. Pursuant to Education Code section 48902, the principal or designee shall notify the SRO of any acts of a student that may violate specified provisions of the Penal Code and Education Code. This may require the disclosure of the student's name or other identifying information to the SRO, along with information related to the underlying offence.
10. **Law Enforcement Records and Juvenile Case File Information.** Pursuant to Welfare and Institutions Code sections 827, 828.1 and 828.3, certain law enforcement records, probation reports and juvenile case file information may be provided to the District Superintendent or his/her designee. In addition to providing such information directly to the District Superintendent, the SRO may provide such information to the Principal of the school in which a minor student is enrolled and the Principal shall be a designee of the Superintendent for the receipt of such information.
 11. **Costs.** In exchange for the provision of SRO services, the District shall pay Department as follows \$107,000.00 annually. Contract extensions and inflation increases to the flat rate will be discussed annually in May. SRO services during summer school may be provided to the district at a cost of \$498.00 per officer, per day for the duration of the summer school session. Contracted days for summer school must be consecutive days.

Overtime expenditures for school-related events such as sports games, dances, graduation, etc. will be covered by the Pioneer Unified Elementary School District. For these additional services, the Hanford Police Department will charge the District an hourly rate of \$83.50. Official Requests for additional SRO coverage must be submitted to the SRO unit supervisor in writing.

12. **Feedback and Evaluation.** The District and Department agree on the importance of evaluating the SRO program. The District and Department will work together to develop and implement procedures to provide periodic feedback and evaluation data for the purpose of measuring the program's effectiveness.
13. **Nondiscrimination.** SROs shall not discriminate against or treat any person differently on the basis race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

Indemnification.

- 14.1 The District shall indemnify, defend, and hold harmless the Department, its officers, agents and employees from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from the performance of this Agreement, caused in whole by any negligent or willful act or omission of the District, its officers, agents, employees, or anyone directly or indirectly acting on behalf of the District.
- 14.2 The Department shall indemnify, defend, and hold harmless the District, its officers, agents and employees from and against any and all claims, losses, liabilities or damages, demands and actions, including payment of reasonable attorney's fees, arising out of or resulting from the performance of this Agreement, caused in whole by any negligent or willful act or omission of the Department, its officers, agents, employees, or anyone directly or indirectly acting on behalf of the Department.
- 14.3 It is the intention of the District and Department that, where fault is determined to have been contributory, principles of comparative fault will be followed and each party shall bear the proportionate cost of any damage attributable to the fault of that party, its officers, directors, agents, employees, volunteers, subcontractors, and governing board.
- 14.4 Each party shall immediately notify the other party of any claims or legal actions arising out of the performance of this Agreement.
15. **Applicable Laws.** Department shall provide the services specified in this Agreement in accordance with any applicable federal and state statutes, regulations, and directives.
16. **Amendments.** No modification, amendment or addendum to this Agreement shall be valid unless it is set forth in writing and is signed by the parties.

17. **Entire Agreement.** This Agreement constitutes the entire agreement between the District and Department regarding the subject matter of this contract and supersedes all previous SRO agreements.
18. **Severability.** If any term or provision of this Agreement is determined to be unlawful or in conflict with any law of the State of California, the validity of the remaining portions or provisions shall not be affected. Each term or provision of the Agreement shall be valid and enforced as written to the fullest extent permitted by law.
19. **Notices.** All notices concerning this Agreement shall be deemed to have been served when delivered via electronic mail to the District Superintendent or Chief of Police.

The parties have executed this Agreement on the date written below.

RESOLUTION NO. 081926A

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE PIONEER UNION ELEMENTARY SCHOOL DISTRICT REGARDING AUTHORIZING AN INTERFUND TRANSFER

Purpose:

To inform the Board of the changes to the Adopted Budget assumptions due to the newly adopted State budget.

2026-2027 Adopted Budget ~ 45-Day Revision

Governor Gavin Newsom signed several budget and trailer bills to adopt and implement the 2026-27 State Budget. The enacted budget maintains most of the proposals included in the May Revision, with several changes that affect K-12 education. The following summarizes the major state budget provisions affecting PUESD and local budget adjustments identified since budget adoption.

These are the major K-12 funding provisions in the 2026-2027 state budget that affect PUESD:

- The Local Control Funding Formula (LCFF) statutory cost-of-living adjustment (COLA) is 2.87% for 2026-27. The enacted budget also provides an additional 1.44% LCFF base grant adjustment associated with the new paid pregnancy disability leave requirement.
- The Proposition 98 minimum guarantee for TK-14 education is funded under Test 1. The enacted budget reflects a 2026-27 guarantee of approximately \$128.1 billion.
- The final budget provides \$5 billion in one-time funding for the Student Support and Professional Development Discretionary Block Grant. Allocations are estimated at approximately \$930 per ADA based on 2025-26 Second Principal Apportionment ADA.
- Special education funding includes an increase in the base rate to \$1,340 per ADA, along with additional ongoing funding for the extraordinary cost pool and low-incidence disability services.
- Expanded Learning Opportunities Program (ELO-P) revenue has been aligned with the updated 2026-27 rates approved in the enacted State Budget.
- The State Budget continues to include several other one-time investments for K-12 programs, including kitchen infrastructure and training, teacher pipeline and professional development programs, preschool planning and implementation, and supports for students experiencing homelessness.

Other items of note that were not in the Adopted Budget:

- ❖ Additional certificated FTEs were added to the 2026-27 budget to align staffing with Kindergarten and Transitional Kindergarten enrollment.
- ❖ Additional instructional aide position was added to the 2026-27 budget.
- ❖ Salary and benefit budgets will be aligned with current position control and staffing changes, including employee separations, vacancies, replacement hires, and changes in salary placement and benefit costs.
- ❖ The 2025-26 ending balance has not yet been finalized through Unaudited Actuals but as projected the District is anticipated to deficit spend in 2025-26.

All of these changes to the Adopted Budget will be updated and will be included in the First Interim report in December.
